Re: Withdrawal of Petition to Deny Registrations of AgSaver II, LLC for Glyphosate Herbicides

Dear Messrs. Perlis and Kenny:

This firm represents Monsanto Company ("Monsanto") as the original registrant and the primary data submitter for the herbicide active ingredient glyphosate. In that capacity, on November 3, 2009, we filed with your respective offices a Petition to Deny Registration of AgSaver II, LLC's A.S. Glyphosate Technical and A.S. Glyphosate IPA Salt 62% Herbicides. Our filing was made pursuant to the Federal Insecticide, Fungicide, and Rodenticide Act and implementing Environmental Protection Agency regulations at 40 C.F.R. 152.99. Monsanto's Petition is hereby withdrawn. If you have any questions, please contact the undersigned.

Sincerely,

Stanley H. Abramson  
Counsel for Monsanto Company
